A COMMUNICATION FROM JUDGE POWELL. Beaumont, Tex., Oct. 3.

delicious, appetizing, encomium win- A letter is being circulated in this ning breakfast, she picks out her fa- city purporting to be written by one vorite cereal breakfast foods, prepares George Woods of Orange county, a them carefully and basks in the sun-copy of which is published in the shine of pleasure glowing in the afces Beaumont Journal, under an editorial of her family and friends. All the entitled, "West and Powell," and in popular standard brands (which which article says there is another means the best brands). Oat meal, circular out, headed, "The Last Apneal," etc. I notice in the letter that the said George Woods lists my name I. CORDON as the proper candidate for the office of district attorney.

I desire to say that said letter or other circular, if one be out, was written wholly without my knowledge or consent and that my name appearing in any such letter or circulars was certainly unknown to me in any way or manner whatsoever.

As to the editorial in which the letter referred to is copied, I have nothing to say further than that I am a friend of both Judge West and K. B. Seale and that I have never alligned myself on any roll for district attorney with either of them nor do I intend to. As to its being generally understood that my candidacy was at the Englewood police officers. the solicitation of the element in Orange which is supporting Judge West, that is news to me and absolutely false. I here now-say that I am a candidate at the solicitation of friends in Jefferson county, some of whom are warm supporters of Mr. Seale. I stand for law and order under any and all circumstances.

W: B. Powell.

FOUND A SLOTH. This morning while C. H. Cheshire was preparing to hang a bunch of bananas in front of his place of business on the Post Office trianagle he found a nest in the bunch that aroused his curiousity and upon investigation found that the nest contained sum. It is believed by a number of when walkin gtwenty yards. people who saw the little animal that it is a sloth, a native of the coun-Mr. Cheshire by Kirkland & Morrow of this city and to them by a firm of banana dealers in New Orleans, who unloaded the bananas off of a vessel Wednesday or Thursday that had just arrived in port from British Hon duras.
